

RECREATION AND FACILITIES, June 7, 2016

Members present: Deborah Wolfe, chair Jeff White, VA
Toni Harper, Troy Tripp, excused absence

1. It was suggested to give part of the Golf Frisbees to Crystal when she moves to the main office. In that way, more people can try out the new course.
2. It was decided if it rains and renters for the shelter house don't use the rented facilities, money will not be refunded.
3. Inform Crystal if someone wants to use the horseshoes, there is one set available, but if they want more, they are to bring their own.
4. I would like Crystal to add to the rental agreement, that if renters move the picnic table out of the shelter house, they are to return them to the original space.
5. Have Gary move the one gray picnic table at the shelter house to another area in the park.
6. I need another ½ skid of mulch.
7. It was suggested that the village contact Family Job and Services for people who owe community service to work at the park. Jeff informed the committee, if they have anyone, they will let us know.
8. I will contact Acorn Farms to see if they have any tropical milkweed.
9. The weeds along the granite benches need to be weed whacked and treated with Round-up.
10. Jeff mentioned that a church group from Lancaster would like to set up in Dowling Park to have literature available from their church. It was decided against this idea, be they might contact the BAHS or Larry Mathias from Custom Rods to see if they would be interested in having the church be present at their outings.
11. Jeff mentioned that the east side of the walking path is in need of repair. He thought 1 ton of patch should do the job.

Deborah Wolfe, Chair
