

## Safety & Infrastructure

16 May 18

Present for the meeting was: Administrator Jeff White; Mayor Mike Henwood; Chair Sherman Prince; Member Scott Snider.

### Topics Discussed

- 1) We had a request from a resident for speed bumps on ally between Oak St and Purvis. We agreed to order them.
- 2) We finally got a report from the State Individual on playground. We must respond to it by 15 Jun 18. Scott is contacting the maker of the playground ground equipment to check availability of the pieces needed for playground equipment.
- 3) Scott is trying to contact the rail road about putting in post and chain to keep people from going beyond the handicap parking and gaining access to driving in the park.
- 4) It was decided to give the big bleachers to Worthington, if they wanted the scrap metal. Scott will see about getting the planks off, and maybe we can use them for the base at the oil derrick.
- 5) It was discussed about the bush at the west entry to village grounds on the east side, blocks visibility looking left when you exit the lot. Scott to look at the situation.
- 6) It was brought to our attention that money has been donated to have electrician put power and led lights back up at the pool. It was discussed that all but one trash can be taken off Main Street, they are being used by people to clean out their cars.
- 7) The sidewalk and curb need to be repaired in front of old library building where Byron had to put in a water meter for small apartment in the building.
- 8) We have several sink holes that we need to watch starting in the village.
- 9) Scott brought up that he and Earl Lehman are willing to help street guys with mowing.
- 10) State Insurance man found rebar sticking out of deteriorated cement at the sewer plant.
