

Tree Board Minutes  
March 14, 2019

Attending: Mike Henwood, Jacien Squires, and Scott Snider

Items discussed were:

- Discussed an Arbor Day ceremony at the elementary school. The village is donating a tree to the school. They agreed to a Black Gum Tupelo (*Nyssa Sylvatica*). Mike Henwood will handle the purchase and pick up/delivery of the tree.
- Jacien Squires will talk with the school to set up the ceremony. We will dedicate the tree to Rick Burns for his service to the community and Mike Henwood will give the Arbor Day Proclamation. We talked about doing it on Earth day but school is out that day. Arbor day is Friday, April 26th.
- Scott Snider will call and get quotes for removal of some of the trees on the tree of concern list. Which trees to remove will be determined by the ratings that were assigned by the tree board in September.
- The next meeting of the Tree Board will be Thursday, May 9<sup>th</sup> at 6:30PM.
