Recommend contract for the repairs for 136 Marietta Street to Service Master due to issues with Servpro. Rhinehart found discrepancies in their quote and Servpro is not willing to work this out. Servpro would like to charge additional \$125.00 fee for coming out to review the current job.

Recommend contract for Shackleford's Disposal of three-year contract to council. Finance feels this is very reasonable and is content with the current services.

Chairperson; T. Harper
