

Safety and Infrastructure

March 15 – 4:30pm

Attendance:

Troy Tripp, Debbie Wolf, Mayor Taylor, Billy, (abs Savanna)

NEW BUSINESS-

Lights in the Park – Security Lights. We will tour the park to look at this.

Convex Mirror – at Subway, village will install this.

UnSafe Sidewalk - 400 block, Purvis Ave, a lateral line repair, they did not fix the sidewalk.

Bartlett St. – We will get the grant. Kurkbride is taking the camera down thru Mill and Collins. We will repair the sanitary and storm sewer lines will be repaired before we pave. Paving should be in the summer.

Main St. - This will occur also in 2023 asphalt will be removed. Village will assess the brick once the asphalt is removed. Street Bricks are down by the water plant can be used for the utility cut outs that will be visible after the asphalt is removed off the brick.

Fort St. - end of fort will be paved and (new curbs and gutters may also happen)

Napa/Shonbarger Building – Committee also reviewed safety and structural concerns regarding this building and the public safety due to the location of this structure being located downtown and its location over a public sidewalk. We will request an update of what has been sent to Shonbarger. This building should be condemned and torn down.

Highland – drain to fix the water, a new drain tile will be needed. Billy is looking into this.

Catch Basins - School and Marietta and then Ford and Angle – repair or replace these this year.

Marietta St. Drainage – towards Ruff Drive, we will need to get a grant for this.
